**Product List - non-GM Material Available**

We are pleased to confirm that the below listed products are available certified as in conformity with Ingredion’s TRUETRACE® Non-GM Identity Preserved Program<sup>1</sup>. When purchased as a TRUETRACE® Non-GM material, certification of the non-GM status will be stated on the certificate of analysis provided with each lot of material. Please note that this list is specific for the PIN number given.

If non-GM product is of interest to you, please contact your Ingredion Incorporated Sales representative.

Thank you for your interest in Ingredion Incorporated’s products.
